

The Lightning Path™ Workbook One

BASIC CONCEPTS

Modern spirituality to Transform the world

Lightning Path Book One - Basic Concepts is your doorway to authentic spirituality and authentic spiritual progress. In this book, learn about the nature of enlightenment (spiritual awakening), methods of initiation, and some of the traps, pitfalls, and challenges that you may face on the journey ahead. This book gives you the concepts and ideas that you need in order to get moving in the right direction. Don't waste time because there is no time to waste. Take your first step on the journey back home. Take your first step on the Lightning Path and Awaken, Activate, and Ascend.

The Lightning Path™ (or simply LP for short) is a modern system of human development that provides you with all the information you need to heal, awaken, empower/activate, and connect (a.k.a. ascend) to the powerful Consciousness that resides within you. The LP is sophisticated, powerful, logical, grounded, rational, intellectually and metaphorically rigorous, politically sophisticated, empirically verifiable, authentic, effective, and accessible to everyone regardless of race, ethnicity, economic class, social class, or gender.
